FURNISHINGS**

Give Christmas-bright Pilgrim Ties . . . wools, rayons, silk

Wool ties are all new homespun wool, hand loomed in California. Good quality ties are bold stripes and sporty plaids; unlined. Better quality is a finer weave, so wrinkle-resistant no lining is needed. Self-fringed ends.

Rayon ties come in a variety of sparkling patterns to delight the most hard-to-please man. Better quality is super-smooth to drape beautifully, richer looking than good quality rayons. All wrinkle-resistant wool lined. Foulards, dobby weave satins have rayon faced ends; others are hemmed.

Silk tie is pure dye pure silk, the softest, most luxurious fabric imaginable. Drapes gracefully, knots handsomely; highlights the rich coloring and the beauty of design. Rayon faced ends; wrinkle-resistant wool lined.
